

Special Projects

From President Desk

Mr. Anil Sachdev,

Honorary Secretary-General of Indian Society for Quality (ISQ)

Board Member of Asian Network for Quality (ANQ)

Academician in the prestigious International Academy for Quality (IAQ)

Dear Esteemed Client,

We at TQMI are growing up sturdily for the past 28 Years as a Premier Consultancy Organisation in India having richer understanding and relationship with large number of companies of different sizes in diverse sectors of Industry. It's a great privilege for us to share our experiences with you our journey on "**Special projects**" with different sectors in India.

Today customer demands "High Quality of products at a reasonable cost delivered on time. The balanced focus on Quality, Cost and Delivery (QCD) will lead to highest level of Customer Satisfaction. When every Organisation is aiming towards this Goal, TQMI is proud to be part of this challenging & never-ending Journey towards big 'Q' with our clients.

It is relevant at this point to state that Our Core values of Honesty, Respect, Trust, Innovation and Ethics are adding much value to all our Customers. Our success would not be possible without the contribution of our Customers and our dedicated Counsellors.

Enclosed file gives details of various success stories by our experienced and dedicated team winning accolades & appreciation from our clients. Please feel free to contact us for any support you may need.

Warm Regards

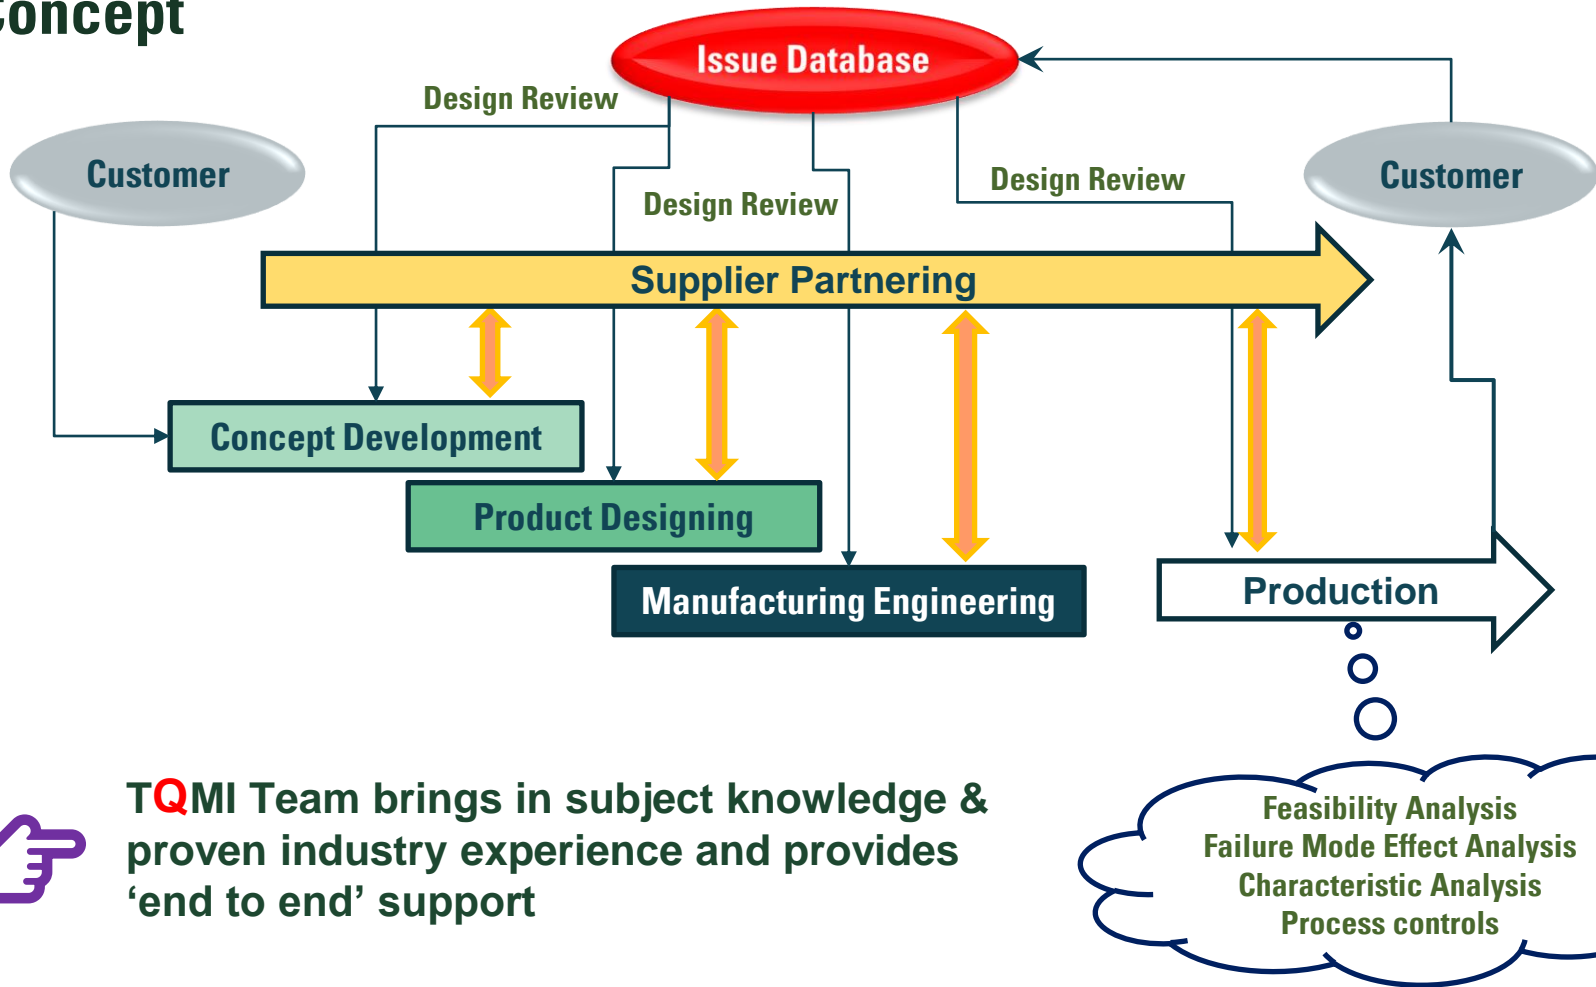

Anil Sachdev, President,
TQM International Pvt Ltd.

The Purpose

- For substantive improvement of plant operations with particular focus on productivity based on systems and Lean thinking.
- To support Organisation's plan to improve manufacturing process by reducing In-house as well as Customer rejections.
- To achieve consistently and exceed global benchmarks in Quality of all functions and Best Practises.
- Aligning Sourcing Strategy with the Organisational Vision.
- Supplier upgradation to create Life Time Sources [LTS].
- Early Supplier Involvement to leverage their Knowledge & Expertise and hence to maximising Single Source Supplies [SSS].
- Supplier's Capability Enhancement.
- **and many more**
